MetLife Discount Card | Exclusive discounts on optical, dental and preventative treatments.

Medical expenses for treatment are on the rise, increasing approximately

13%

each year in the Gulf.[1]

This makes it very important to focus on preventative care and to ensure your health is in good standing in order to avoid ailments that require treatment at high costs.

Get valuable discounts on dental and optical treatments which are often not covered by medical plans.
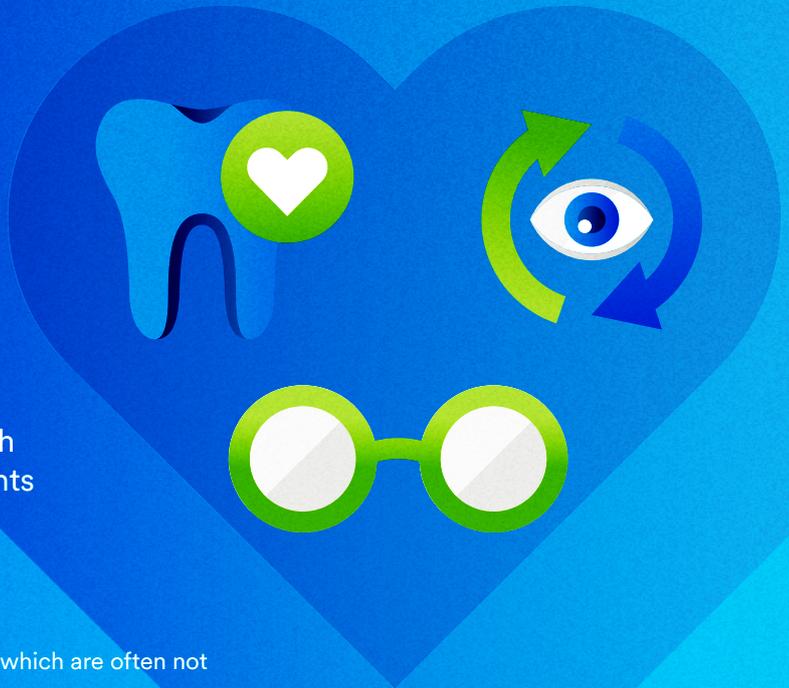

SAVE TODAY
Medical insurance often doesn't provide dental or opitical and cosmetic treatments are rarely covered. With rising treatment costs this can mean that you might put off or avoid treatment.

MetLife Discount Card gives you affordable access to treatments with up to 50% off all dental and orthodontic services and up to 30% off optical care, including sunglasses, frames and contact lenses.

PROTECT YOUR TOMORROW
Preventative health measures help to detect any possible illnesses early to prevent longer term complications which can be more costly in the future.

MetLife Discount Card enables you to take care of your health with 25% off at clinics for health check ups.

Once you sign up for our exclusive MetLife Discount card, you get:

Unlimited use for you and your family members

Focus on prevention and treatment to optimize your savings

Good value and discounts

Broad and growing network

The MetLife Medical Discount Card is available with select MetLife investment and protection solutions. Speak to your MetLife Representative, Bank Relationship Manager or Financial Advisor to and find out more.
